Expert talk on Google Summer Of Code

INFORMATION AND COMMUNICATION TECHNOLOGY

FACULTY OF TECHNOLOGY MARWADI UNIVERSITY, RAJKOT

1. Introduction:

The expert talk on Google Summer of Code (GSoC) was conducted on 13th January 2023. The session aimed to provide insights into the GSoC program, its application process, and how students can leverage this opportunity to contribute to open-source projects. The event was held in MA115 and featured an expert speaker with experience in GSoC.

2. Event Overview:

The session covered the following key aspects:

1. Introduction to Google Summer of Code and its objectives.
2. Explanation of the eligibility criteria and application process.
3. Guidance on selecting open-source organizations and writing a strong project proposal.
4. Insights into the benefits of participating in GSoC and career opportunities.
5. Personal experiences and success stories from previous GSoC contributors.
6. Interactive Q&A session to clarify doubts and provide further guidance.

3. Attendance and Participants:

The event had a total of **13 students** in attendance, all of whom actively engaged in discussions and participated in the Q&A session. The enthusiastic participation contributed to a highly interactive and informative session.

4. Achievements and Outcomes:

1. **Understanding of GSoC:** Students gained a comprehensive understanding of the program, its objectives, and benefits.
2. **Enhanced Application Strategies:** Attendees received valuable insights on crafting a strong application and proposal.
3. **Inspiration and Motivation:** The session encouraged students to explore open-source contributions and apply for GSoC.
4. **Networking Opportunities:** Students interacted with an experienced speaker, gaining first-hand advice on excelling in the program.

5. Challenges:

- 1. Limited Time for Detailed Discussions:** Due to time constraints, some topics could not be explored in depth.
- 2. Varied Experience Levels:** Some students were unfamiliar with open-source development, requiring additional explanation.

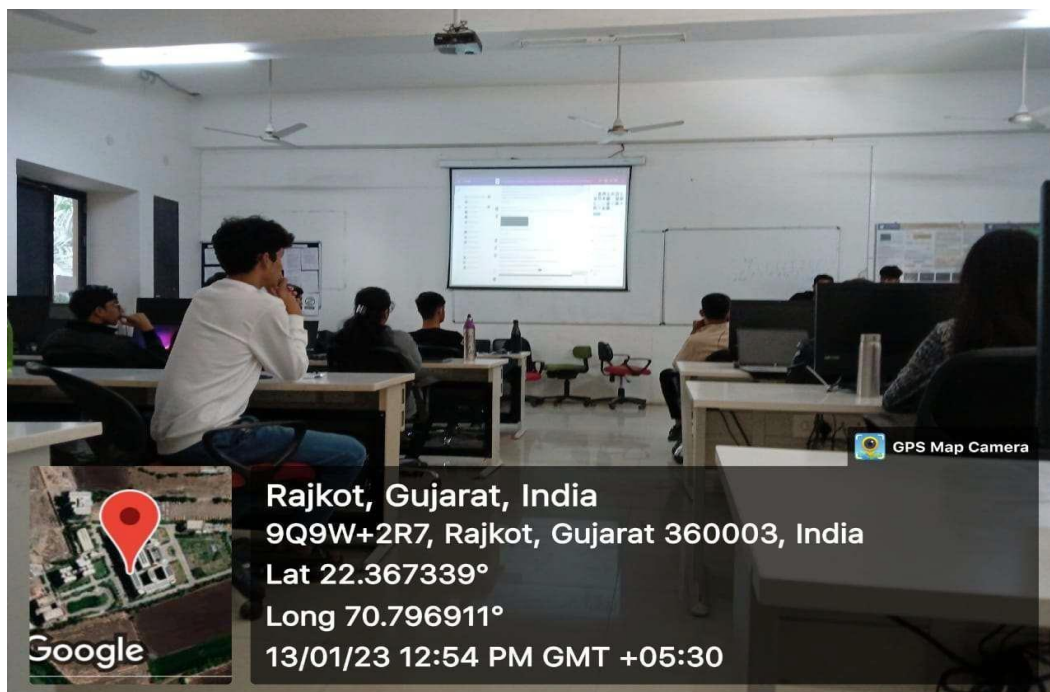

6. Feedback and Evaluation:

The session received positive feedback, with students appreciating the detailed insights, practical tips, and the speaker's experience. Many expressed interest in follow-up sessions focusing on hands-on contribution to open-source projects.

7. Conclusion:

The Expert Talk on Google Summer of Code held on 13th January 2023 successfully provided students with valuable guidance on participating in GSoC. Despite minor challenges, the event effectively met its objectives, inspiring students to contribute to open source and take advantage of this prestigious program.
